

Hello from the AMSA Spring Riding Challenge Team,

The Alberta Mounted Shooters Association (AMSA) is excited to host our third annual **Spring Riding Challenge**, running from March to May 2026. This event brings together riders from **all equine disciplines** across Alberta, Canada, and even the U.S.—all united by a shared goal: to build community, stay motivated, and get out riding as we head into spring.

To help make this challenge a success, we are reaching out to local businesses for support. We are kindly requesting donations such as **gift cards, products, or services** to be awarded as prizes throughout the event. Your contribution directly supports participant engagement and helps us celebrate riders of all ages, experience levels, and riding backgrounds.

In appreciation of your generosity, AMSA will provide:

- Recognition of your business on the AMSA website
- Promotion on our social media platforms throughout March–May
- Inclusion of your logo or business name in event marketing materials and our program

We welcome contributions of any size and truly appreciate your willingness to support **local riders and Alberta's equestrian community**.

AMSA is a volunteer-driven, non-profit organization committed to encouraging horsemanship, community involvement, and positive riding opportunities. Your support helps us continue offering inclusive, motivating events like the Spring Riding Challenge.

If you are interested in contributing or have any questions, please feel free to reach out. We are happy to arrange pick-up of your donation if needed.

Thank you for considering this opportunity to support local riders and be part of a growing, community-focused event. Your time and generosity mean a great deal to us.

Sincerely,

***Alberta Mounted Shooters Association***

Spring Riding Challenge Team
